Lizard: But the truth is that they put us in worse scenarios than before, our lives are in danger and it is inevitable to watch friends die, you just hope you get your head out alive

Page 8, Panel 5

Fuse: No offense, but I don't want to listen to your sad life story now

Lizard: If you can't stand what's going on around you, quit this job, the most important thing is to save yourself and your mental health

Page 9, Panel 1

Justice: Good

Page 14, Panel 3

Page 15, Panel 2

Justice: Conscience, they will probably ask you to check TheSuperHero, I want you to attend professionally in that case, I know it's hard, but leave the emotions aside

Conscience: Don't worry about that

Page 15, Panel 3
