Lizz: I'll say whatever you want, I'll apologize on live television...

Page 1, Panel 5

Trident: Not my orders

Page 1, Panel 6

Page 2, Panel 2

Infinite is in front apartment building, his legs elongate and climb him to the third floor

Infinite: What if she doesn't open it?

Infinite: Don't think about it you stupid fool

Infinite: Put yourself together, women can smell fear

Page 2, Panel 3

The girl (Samantha) opens the window

Infinite: Hi

Samantha: What are you doing here!? Someone can see you

Infinite: I don't care what the others think

Page 2, Panel 4

Samantha: Oh really, because as far as I can remember we broke up, because you couldn't have risked being photographed by a journalist with a younger girl

Infinite: I was a jerk, I admit

Samantha: That would ruin your reputation right?

Page 2, Panel 5

Infinite: I no longer care what others think, I only care what you think

Infinite: I was blind before, now I understand that fame and fortune is not the only thing a man needs to be happy, he should have a person who understands him by his side

Page 2, Panel 6

Infinite takes ring out of his pocket

Infinite: I want to prove to you that I'm serious this time

Page 3, Panel 1

Samanta puts her hands over Infinite's hands

Samantha: What are you doing?

Infinite: Isn't it obvious?

Page 3, Panel 2

Samantha: You can't leave me and show up at my window holding a ring after a week

Page 3, Panel 3

Infinite: Okay, I understand, you don't have to take the ring, but at least give me a chance to prove my intentions

Infinite: Dinner, tomorrow night, you and me in a public place

Page 3, Panel 4

They are just looking at each other, Infinite is nervous and Samantha is angry

Page 3, Panel 5

Infinite: Or we can do it some other day if you already made plans for tomorrow, whenever you are ready

Page 3, Panel 6

Samantha: Tomorrow, I can, but it better be spectacular

Infinite: It will be, I promise

Samantha: See ya tomorrow then

Infinite: Sleep well

Page 3, Panel 7

Samantha looks out of the window and see Infinite is running down the street, his leggs are still elongated

Infinite: She kinda agreed!

Random man: Some of us are trying to sleep!

Infinite: Shut up motherfucker! This is my moment

Samantha: He is... unique

TheSuperHero: Good reflexes, beta team, good news, one place is free in Supremes and I need one of you to fill that place

Page 4, Panel 5

War Claw: I am the strongest one here

Page 4, Panel 6

TheSuperHero lasers pierce the chest of War Claw

TheSuperHero: No, you're not, stop lying

Page 5, Panel 1

TheSuperHero: Let's play a game, the last one standing gets a place in team

Page 5, Panel 2

Golden: Perhaps we can talk this trough and avoid violence

Page 5, Panel 3

TheSuperHero: We could, but I had a very stressful day

Ildro: You son of a bitch

Page 5, Panel 4

Magic: But I won? Right?

Page 6, Panel 2

TheSuperHero punches Magic in head, breaking it

TheSuperHero: NO!

Page 6, Panel 3

Page 7, Panel 3

Ildro: Fuck... you...

TheSuperHero: You're going to be a good little girl, aren't you?

Page 7, Panel 4

TheSuperHero: And before you answer, your other option is to lock you and use your regenerative abilities as a stress release, and trust me, I'm full of fucking stress

Page 7, Panel 5

TheSuperHero: Now, tell me, will you be good?

Page 7, Panel 6

TheSuperHero yelled at Ildro

Michael: No, I don't think I did

Page 8, Panel 4

Voice: You are out of your fucking mind! You ruined everything we did!

Page 8, Panel 5

Michael: Everything Hunter did, he did on his own, I advised him differently

Voice: How bad is it?

Michael: Not as much as you think. Hunter managed to take his blood

Page 8, Panel 6

Guard is giving papers to Michael

Michael: Please continue

Guard: His blood cells are resistant to all our viruses. But then we tried the virus that attacked the Martians three years ago and look at the results

Page 9, Panel 1

Michael: I wasn't looking for damn viruses, I was looking for a way to weaken him, how the hell am I going to inject a virus into an indestructible man?

Page 9, Panel 2

Voice: How long does it take for the virus to develop, to be exact, what is the time period for antidote?

Guard: On normal people it lasted a couple of hours, three to four hours, depending on the person, on TheSuperHero's blood it started to develop only after six hours, it will take days for the virus to fully develop

Page 9, Panel 3

Guard2 runs in

Guard2: The beta team base has been destroyed

Michael: Shit!

Page 9, Panel 4

Voice: I'll try to find out as much as possible, don't call me, I'll call you

Grace: What's up?

Trident: Ha?

Grace: You are surprisingly quiet tonight, is everything ok?

Page 10, Panel 2

Trident: Just some problems at work, I get too tired, late hours and everything is stressful

Grace: I saw you on TV yesterday, does it hurt?

Trident: A little, but I'll be fine

Grace: Are you sure? It was a nasty landing, it takes courage to run into a mutant elephant, when there is no water anywhere nearby

Page 10, Panel 3

Trident: I believe that he is not a mutant, but a magically summoned demon ...

Grace: Who cares, you risk your life every day, and you don't get enough credit for it, you're always put aside while TheSuperHero and Hunter get all the credit

Page 10, Panel 4

Trident: I mean... My character has an interesting story in comics and maybe he will promote me as a series regular in the fourth season of the Supremes series

Grace: Fuck the stupid comics and series ... Why don't you leave them?

Trident: What do you mean?

Page 10, Panel 5

Grace: It's not worth risking your life, TheSuperHero, Creature, Hunter and others will always save people

Trident: What am I without them? I mean look at me, blue skin, big eyes, dickless

Grace: Are you...

Page 10, Panel 6

Page 11, Panel 1

Page 12, Panel 3

Trident: De... Dead, they're going to interrogate us now, and I just drowned two people for you

Infinite: How did Hunter die?

Page 12, Panel 4

Trident: They will arrest us all, we will lose everything!

Page 12, Panel 5

Komet hits Trident in the head with her elbow and he falls to the ground

Page 12, Panel 6

Page 14, Panel 2

Infinite wraps himself around TheSuperHero's neck and starts choking him

Page 14, Panel 3

Komet is ready to launch herself

Page 15, Panel 6

TheSuperHero: No one! NO ONE CAN MAKE ME A FOOL!

Page 16, Panel 1

Komet puts her hand on TheSuperHero's chest

Komet: Without mercy

Page 16, Panel 2

Page 17, Panel 1

TheSuperHero is on stage, Komet is behind him

TheSuperHero: We are still investigating, but we believe that Emerald Trozubac has been preparing an attack for years, he brainwashed Creature's brain, Hunter tried to stop him, but unfortunately both heroes fell in that conflict. He later attacked us in our premises where he seriously wounded my friend and colleague Infinite

Page 17, Panel 2

Journalist 1: Where is the Emerald Trident now?

TheSuperHero: Infinite has bought us enough time to stop him, I can't talk about his location yet

Journalist 2: How is Infinite's condition?

TheSuperHero: He is in life danger, but our best doctors are taking care of him

Page 17, Panel 3

Now we see more journalists asking questions

Journalist: What will happen to the TV series?

Journalist: How is it possible that you did not discover his intentions earlier?

Journalist: Is this the collapse of the Supremes?

Journalist: How one person beat the whole team?

Page 17, Panel 4

TheSuperHero has an angry expression on his face, a vein has appeared in his neck due to anger.
Komet takes the microphone

Komet: You'll get more information when the FBI completes its investigation

Page 17, Panel 5

Komet and TheSuperHero come down from the stage

TheSuperHero: "Will there be a new season of the series," how stupid they are

Komet: No one cares about our lives, they just want to be entertained

TheSuperHero: Fuck them all in their stupid little brains

Page 18, Panel 1

Komet: I'm going to retrieve the bodies that Trident drowned

Page 18, Panel 2

TheSuperHero grabs Komet by the hand

TheSuperHero: Stay a little longer, I emptied the basement, just for us

Page 18, Panel 3

TheSuperHero coughed

Page 18, Panel 4

TheSuperHero: I'm fine

Komet: You sure?

TheSuperHero: What the fuck is going on
