Conscience and Hollow are sitting in interrogation room

Conscience: Don't push her to far, we don't want her to start panicking and her thoughts getting mixed up

Page 1, Panel 2

Guards walk Komet in

Page 1, Panel 3

Hollow: So, you know why you are here, we will skip introductions

Page 1, Panel 4

Hollow: Where were you when ...

Komet: TheSuperHero has already admitted that he killed them, I don't understand why I'm here, I am innocent

Page 1, Panel 5

Hollow: If you were as innocent as you say, you wouldn't run away, you'd come here and report him

Page 1, Panel 6

Komet: Would you report him threatening your kid?

Page 2, Panel 1

Conscience: He didn't threaten your daughter, he even helped you keep her

Page 2, Panel 2

Conscience: But something else scared you, what was that?

Hollow: Keep in mind that we will know if you are lying

Page 2, Panel 3

Komet: He killed the whole Supremes team, it's normal for me to be afraid of him

Conscience: Something more

Page 2, Panel 4

Hollow: You poisoned him, did you?

Page 2, Panel 5

Silence

Page 2, Panel 6

Komet: I did, to save our lives

Conscience: She is telling the truth

Page 3, Panel 1

Hollow: Let me give you a deal, if you tell us his location, your daughter will go to our best schools, with a different name, your sentence will be halved, and you will get in touch with your daughter right after that.

Page 3, Panel 2

Komet: I don't know where he is now

Hollow: When you get out of prison, your daughter will be almost fifty years old, maybe more, if you help us, she will be in her thirties

Page 3, Panel 3

Komet: I can give you locations of all our safe houses that I know

Hollow: we checked them all

Conscience: I can't find anything

Page 3, Panel 4

Hollow: For fuck sake women, we have five days to find him or we are in war

Conscience: Calm down

Page 3, Panel 5

Hollow: Go in her head Conscience

Conscience: What?

Hollow: We are running out of time, and we will not achieve anything like this

Page 3, Panel 6

Conscience: We don't have permission for that

Hollow: You have to wait for your request to be approved, and we don't have time for that

Page 4, Panel 1

Justice walks in

Justice: That's enough, get out, both of you

Page 4, Panel 2

Hollow and Conscience walk out

Page 4, Panel 4

Justice: TheSuperHero's behavior caused more damage than you can imagine

Justice: Lives are at stake, all of us

Page 4, Panel 5

Komet: She read my fucking mind, she knows I don't know anything

Justice: She hadn't read it completely

Komet: Then let her come back, I'm here, let her search everything and see if I'm hiding something

Justice: If she completely enters your mind, she would cause permanent damage, and I will not allow it, no matter what you did

Page 4, Panel 6

Justice walks out

Justice: But I will look at your offer as a willingness to cooperate

Page 5, Panel 1

Fuse is standing in hospital hallway, waiting for someone

Page 5, Panel 2

Women (Ardic's wife Ajda) and two kids are running towards him

Ajda: Adrian

Page 5, Panel 3

Fuse hugs Ajda

Ajda: How is he Adrian

Fuse: Doctor says that he's going to recover

Page 5, Panel 4

Fuse kneels and looks at kids

Fuse: Hey little ones, how are you?

Kid: We saw dad on tv, mom says that he's sick

Page 5, Panel 5

Fuse: Yeah, he needs to rest, your dad is sleeping now, but when he wakes up, he will be glad to hear that you have visited him

Page 5, Panel 6

Fuse: I will take you inside, no one will cause you any problems

Page 6, Panel 1

Ajda and kids are next to Ardic, Fuse is watching them on window

Page 6, Panel 2

Justice: Fuse, You were not allowed to let civilians inside

Page 6, Panel 3

Justice walks next to Fuse

Justice: They have to go, now

Page 6, Panel 4

Fuse puts his pistole on back of Justice's head

Fuse: You're not going to kick anyone out

Justice: Fuse, put that goddamn pistole down before you regret it

Page 6, Panel 5

Fuse puts his pistole away

Justice: What's the matter with you all today?

Page 6, Panel 6

Fuse: Ardic is not wakeing up, they sit at home waiting for the news, not knowing how he really is

Justice: The rules are there for a reason

Fuse: She's been on tranquilizers for three days now, the kids didn't want to eat, should I have left them like that?

Page 7, Panel 1

Fuse: They have neither the time nor the nerve to wait while we solve our problems

Page 7, Panel 2

Justice: Because I see that you are ready for action, go to Frontier and wait...

Fuse: I will...

Page 7, Panel 3

Fuse: ...I'm sorry, I'm too tense, you know, I lose control of every little thing

Justice: It's all good

Page 7, Panel 4

Justice: Go to Frontier, he'll like company

Page 8, Panel 1

Infinite and Samantha are walking down the woods

Infinite: I can't do it

Page 8, Panel 2

Samantha: I can if you can't

Infinite: No, you don't understand what shit that can cause

Page 8, Panel 3

Infinite: If you call someone, TheSuperHero will kill you, if you run away, the police, or worse, the Earth Guardians will arrest you

Page 8, Panel 4

Infinite: Everything I did was out of a desire to help you, I swear to you, I thought this was the best way

Samantha: Shit

Page 8, Panel 5

Samantha: We have no way out of here, TheSuperHero bought this house before he joined the Supremes, under a false name, does not use power, so they can't find him, he thought of everything

Page 8, Panel 6

Samantha: Why don't we just run, while he is sleeping?

Infinite: Dude is paranoid, sleeps with one eye open, hears every fucking shush, we wouldn't get far

Page 9, Panel 1

Samatha: Luke we can't stay here

Infinite: I know, I know

Page 9, Panel 2

Infinite: But I don't know what else we can do

Page 9, Panel 3

TheSuperHero appears behind them

Samantha: Shut up

Page 9, Panel 4

Infinite: Holly shit!

Infinite: Dude, you have to stop sneaking like this

Page 9, Panel 5

TheSuperHero: I wasn't sneaking, you just weren't paying attention to me

TheSuperHero: Which makes me wonder what you were doing on guard

Page 9, Panel 6

Infinite: You know... I was...

TheSuperHero: I don't care

TheSuperHero: Go, I'll keep watch now, because you're fucking useless whenever you see your fuck girl

Page 10, Panel 1

Samantha: Watch your language otherwise ...

TheSuperHero: Otherwise what?

Page 10, Panel 2

Infinite: Brian, we are here because I have decided to side with you

Infinite: If I show respect and faith in you after all, I expect you to do the same

Page 10, Panel 3

TheSuperHero: I have faith in you, after everything you've done, but because of the same actions, I can't show you respect, because I know you're a coward who would withdraw if you weren't afraid of me

Page 10, Panel 4

TheSuperHero: But I don't blame you for that, you're such a person

TheSuperHero: You deserve my protection because you were there when I needed you

Page 10, Panel 5

TheSuperHero: What the fuck?!

Page 10, Panel 6

TheSuperHero: They are preparing a doomsday protocol in Urgent city

Page 11, Panel 1

TheSuperHero started running towards Urgent city, but Infinite grabs him

Infinite: Where the fuck do you think you are going!?

Page 11, Panel 2

TheSuperHero: Urgent city is our area, we left it unprotected, who knows what's going on there now

Infinite: So what? We ran away for a reason

Page 11, Panel 3

Infinite: Someone else will stop it

TheSuperHero: If I leave the position and let someone else do my job, I'm no better than that blue guy

Page 11, Panel 4

TheSuperHero: And now you'd better let me go until I ripped your arm off

Page 11, Panel 5

Infinite: You endanger us all

Samantha: Let him go Luke, please

Page 11, Panel 6

Infinite removes his hand off TheSuperHero

Infinite: You have nothing to prove

TheSuperHero: I have, my mission is nowhere near the end

Page 11, Panel 7

TheSuperHero runs away

Page 12, Panel 1

TheSuperHero jumps and starts flying in the woods

Page 12, Panel 2

He is close to Urgent city

Page 12, Panel 3

He is inside and notices that streets are empty

TheSuperHero: Where are the people?! This is a fucking trap!

Page 12, Panel 4

He starts flaying up, as shield is forming in the circle around the city

Page 12, Panel 5

He wasn't fast and he is trapped in Urgent city

Page 12, Panel 6

He looks down and sees Justice sitting on stairs of Supremes building

Page 13, Panel 1

TheSuperHero fires his laser vision towards Justice, but Justice blocks it with Trident

Page 13, Panel 2

TheSuperHero flies himself into Justice and grabs him by the waist

Page 13, Panel 3

Both of them break the wall of Supremes building and fall on the other side of the building

Page 13, Panel 4

Justice: Stop!

Page 13, Panel 5

TheSuperHero punches Justice in the face

Page 13, Panel 6

Justice hits TheSuperHero in stomach with back of his trident

Page 14, Panel 1

Justice: I evacuated the whole town because I knew you were a fool who was just looking for a fight

Page 14, Panel 2

TheSuperHero stands up

TheSuperHero: You will not talk to me with disrespect

Page 14, Panel 3

Justice: Just listen to me for a minute

Page 14, Panel 4

Justice looks at trident

Justice: it belonged to my brother

TheSuperHero: I know, I personally pierced his head with it

Page 14, Panel 5

Justice closes his eyes and swallows saliva

Page 14, Panel 6

Justice: I am willing to put our personal issues a side, for now

TheSuperHero: I am not

Page 15, Panel 1

Justice: Something bigger is coming, something bigger than all of us

Justice: Your actions caused it

Page 15, Panel 2

Justice: We need you to stop this, if we go to war with each other, we will only destroy ourselves and the Earth

Page 15, Panel 3

TheSuperHero: You are blinded by the law, you just want to arrest me

Page 15, Panel 4

Justice throws his trident to the side

Justice: Just look at me, I stand here in front of you, no weapons, no plan, no back up, asking for your help

Page 15, Panel 5

Justice: You killed Mikars prince, War Claw, Spihar

Justice: The Intergalactic Alliance threatens us with war if we do not deliver you

Page 15, Panel 6

TheSuperHero: And you came here to ask me to surrender voluntarily to them

Justice: I did

Page 16, Panel 1

TheSuperHero: Then you're stupider than you look, the Intergalactic Alliance has never helped us, moreover, we have helped them, safe houses for alien refugees

Justice: One of those refugees was your mother

TheSuperHero: That doesn't change the fact that they're just taking advantage of us

Page 16, Panel 2

Justice: That is true, but we must endure it, as long as we are in alliance with them, the Earth is protected from attack

Page 16, Panel 3

Justice: And you know that no matter how many heroes the Earth has, we would not withstand a single attack

Page 16, Panel 4

Justice: I appointed you as the representative of America and if everyone was against it, because I knew that at the end of the day you would make a decision to protect your home

Page 16, Panel 5

TheSuperHero: It's a fucking lie, you set me up as a representative of America just to look at me while I was under you

Page 16, Panel 6

Justice: How stupid you are

Page 16, Panel 7

TheSuperHero clenched his fist

Page 17, Panel 1

Justice: You are blinded by proving yourself, that you are better than your father, that you can achieve what he could not

Page 17, Panel 2

TheSuperHero: So what! Should I let people like you be on top?

TheSuperHero: Never!

Page 17, Panel 3

TheSuperHero: Cowards, who do not have the courage to finish the job, imprison the villains in prisons from which they escape and hurt people again

Page 17, Panel 4

Justice: So we should kill them? Like you did, no matter if they are good or bad

TheSuperHero: Are we failing because of thinking like yours?

Page 17, Panel 5

Justice: Really, Destroyed orphanage, collapsed bridge, building collapse, are just some of the damage you caused during your fights in past

Justice: Michael, Hunter ... they came from those fights and they did more harm than good to stop you, you make your own villains

Page 17, Panel 6

TheSuperHero: That's right, it happened while I was following your code, while I was playing by the rules, but the villains don't follow those rules

Page 18, Panel 1

Justice: You are delusional, he is always to blame for your mistakes

Page 18, Panel 2

Hollow (on communicator)

Hollow: The information was correct, push him

Page 18, Panel 3

Justice: For the last time, I ask you in the hope that we will resolve this in a peaceful way

Page 18, Panel 4

Justice: Do you surrender

TheSuperHero: Never

Justice: well then

Page 18, Panel 5

Justice: Cottage in the woods, owned by "Philip Wade", or your alter ego, in the house are Ildro, Infinite, Samantha and a man chained, my people are there

Justice: Does that change your mind?

Page 18, Panel 6

We only see TheSuperHero's shocked face
