

Thunderer days off

Episode: Infinity

EXT. Alien planet, unknown location, day

We see alien planet (Unknown name), it looks like futuristic wild west, there is only one street with houses around it, located in desert, cowboys with laser pistols are walking down that street.

Smaller space ship landed on same unknown alien planet, Infinity come out of it, she is disturbed, looking left and right, but she doesn't seem to know what she is looking for, she ask one citizens (Roglor) of that village

Infinity

Why am I here?

Roglor

How should I know? I didn't invited you here... but now when you are here (With a slight smile on his face, he winked at Infinity)

Thunderer runs out of pub, across the street

Thunderer

She is taken actually, well not taken yet, but I have plans, not that I want to rush anything, you see we are in long distance relationship

Thunderer is walking towards Infinity and Roglor

Infinity

Leo, what are you doing here?

Roglor

Back of boy

Thunderer

I am not...

Infinity didn't let Thunderer finish his sentence

Infinity

That "Boy" told you that I am already taken, so you back off

Roglor

Really? Why did you wanted to talk to me, dressed like that. Maybe you wanted to find out what real man can do, but that stupid little shit got in our way

Thunderer punched Citizen in face, knocking him to the ground, not even a second passed, everyone from the area and surrounding houses pointed their weapons at Thunderer

Thunderer

O shit

Infinity

Do your thing

Thunderer

My thing, sure thing, what is my thing again?

Roglor got up from the ground and pointed his pistole right into Thunderers head

Roglor

Stupid kid, today is the day you will learn not to mess with Roglor the third

Infinity

Our thing!

Thunderer

O you mean the thing thing!

Infinity

Leo! Quickly!

Thunderer

Go high!

Infinity flew high, everyone turned their weapons towards her, as Thunderer unleashed a large amount of electrical energy that hit and knocked down the people on the ground, Infinity blinded the people who were aiming at Thunderer from their windows. after their sight was restored, all they could see was Infinity's spaceship leaving

Roglor started shooting at them, but they were out of reach

Cowboy

Sir, should we follow them?

Roglor is looking at their ship, who almost left the atmosphere, and says nothing

INT. Infinity ship, day

Thunderer is sitting in a backseat, while Infinity is driving, she turned on autopilot and turns to him

Infinity

What were you doing there?

Thunderer

Well I had a nice idea for a date

Infinity

On a planet ruled by mercenaries?

Thunderer

What? I had no idea? I was dropped there, but I can tell you, I didn't like those guys from the start

Infinity

Call for help, that was you? Is not it?

Thunderer

It was more call for launch, but I didn't had any other way to contact you... You see, I kinda broke my communicator

Infinity

Leo, have you been losing sleep again?

Thunderer

Nah, what gave you that impression?

Infinity

You are not focused, you are forcing to be funny and you are slow, that is all things you do when you overwhelm yourself with work

Thunderer didn't say anything, just sighed and leaned back

Infinity

What happened? You defeated the bad guy. You saved the day. Didn't you get days off?

Thunderer

That is exactly what is the problem honey, I don't know what to do
with myself anymore

Infinity

I am listening

Thunderer

Everyone is celebrating, everyone left their homes, it's like we don't
have job anymore. They told us that they will call us next time they
need us, but what if there is no next time? I mean, I wish there is no
next time, it is better for all, but what should I do? I prepared to
be super hero my entire life, and after I did the right thing and
finished the job, I feel like I don't have purpose anymore

Moment of silence

Thunderer

I know I am sounding pathetic right now...

Infinity

No, I understand you

Thunderer

Thank you, but I sound like I'm complaining to myself for no reason,
let alone to others

Infinity

I was warrior with highest rank in king's army, when I escaped my home
world I had to start from zero, I had nothing, no purpose, no friends,
no idea what could I do next.

Infinity

Idea of being cosmic superhero didn't cross my mind until I met you.
You were the one who stood next to me in my darkest days

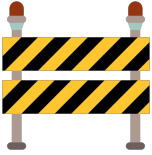

Thunderer

Let's be honest, you were not that bad, for a young girl who left
everything, you were doing great

Infinity

It's because I had you... I am sorry I wasn't there for your darkest
days

Infinity looked at the ground, tear dripped from her eye, Thunderer
hugged her

Thunderer

Don't say that, I am well aware that we can't be physically there every time when we need each other, but I got your messages, I got your gifts. PS, sorry I wasn't sending you gifts, your location is hard to track. I mean we took long distance to another level

They both laughed

Thunderer

That is why I am here now, what better way to spend holiday then to spend it with best girlfriend in entire universe, actually, since we found out multiverse is real, I can surely say that you are best girlfriend in entire multiverse

Infinity turns around and takes steering wheel

Infinity

And for that alone, your girlfriend is taking you for the best couple restaurant is entire galaxy 3

Thunderer

Ok, but I'm paying, I didn't take you out for long time

Infinity

Do you have money their currency?

Thunderer

I have a currency card if they accept it

Infinity

Earth doesn't have that strong integralactic connections, I'll buy you dinner in outerspace, you can buy me dinner when we are on Earth

Thunderer

I don't know...

Infinity

I have coupons

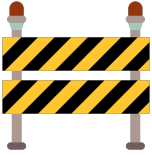

Thunderer

O ok that changes everything then (sarcastic)

They both smiled, Thunderer stood up and kissed Infinity on the head

Thunderer

I missed you Honey boo

Infinity

I missed you too clown fish

Thunderer and Infinity kissed and hugged

Thunderer

Red light! RED LIGHT!

Infinity gripped the steering wheel again in a panic and looked at Thunderer who was laughing

Infinity

You idiot?

Thunderer

How did you land on that? Space traffic light

Infinity

For your information red light appears when someone is traveling with hyper speed towards you

Thunderer

O damn, I didn't know that, I am sorry for causing you to panic
Moment of silence, then Infinity started laughing, Thunderer looks at her

Thunderer

What?... O camon

Infinity

You deserved that

EXT. Restaurant asteroid, day/night

The entire asteroid is made so that grass is planted over it, it has artificial gravity and a large water fountain, the fountain is shaped like a space whale, it looks like an Earth one, only it has three mouths, six eyes and twelve fairy wings on its back. There is a medium-sized restaurant right next to the fountain

Thunderer

What is this place?

Infinity

This restaurant was built to preserve space whales, they are an endangered species and now the income from the restaurant goes to the

foundation "Let space whales float freely in space as much as they want, when ever they want" or in short "LSWFFIPAMATW"

Thunderer

They really should change name of foundation

Infinity

That's what I told them and they got offended

Thunderer

Rich peaple are weird sometimes

Infinity

That's why we are poor

Thunderer looks at Infinity in confusion and he fake laughs, he is nervous

Thunderer

Good one, it's funny because it is truth

Infinity

Wow, Leo, I don't need your petty laugh

Thunderer

No, honey, the joke is funny, but I can't laugh when I know that my parents have minimal income because they retired early

Infinity

What!? But they are forced to retire early because they were injured while doing their job

Thunderer took a breath and rubbed his forehead

Thunderer

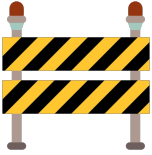

Yes, but they knew the risk of their job, the decision is irrevocable

Infinity didn't say anything, she didn't know what to say, she was looking at Thunderer who was standing with his head bowed

Thunderer

I'm sorry, I came to you unannounced, I caused you a problem and I'm still bothering you with my nonsense. I'm making you worry with no good reason

Infinity takes Thunderer by his hand

Infinity

No, I'm your girlfriend and I need to know what's going on in your life, I can't know how you feel if you hide it from me when you're two galaxies away, however you feel, at any time, you should call me, you need me to come to Earth, I will be there as soon as I can, you need to let me be a part of your life, don't hide things from me, my silly Clownfish

Thunderer sits on sidewalk and shows Infinity to sit next to him, which she did

Thunderer

I don't know why, I've been feeling all emotional for the last few weeks, I'm overthinking everything. What's worst is that I don't think about the future, I don't know what will happen to me now, I started to develop trust issues of people who are close to me, and I shouldn't

Infinity

You don't know why? Maybe because your mentor betrayed you, killed your granfather and manipulated you into doing thing, that whore of your ex also betreyad you only so she can steal generator from Elits base

Thunderer

Let me stop you right there, I don't see how listing bad things that happened recently can help me

Infinity

I'm sorry, what I wanted to say is, it's normal to develop trust issues when you were betrayed by people who you trusted the most

Thunderer

I really need to work on my judgment of people

Infinity

I don't know, you chose pretty good girlfriend if you ask me

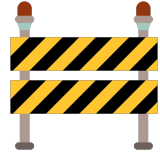

Thunderer smiles

Thunderer

You are the only shining part of my life right now, you know that?

Infinity

Travel with me then

Thunderer

I wish I could, I tried to get permission for intergalactic mission before I got here, but I got denied... I was lucky they even aloved me to visit you

Infinity

Your agency is really exaggerating with some nonsense

Thunderer

Only it remained after the war

Infinity

The agency puts too much pressure on you for some things, while ignoring you for the things you need them for. You know what you need to do now? You need to find something that will allow you to clear your mind, to completely relax and to have an occupation during your vacation.

Another spaceship lands next to Thunderer and Infinity, but they ignore it, Roglor and three more of his men get out of that ship

Roglor

Poor little boy doesn't have money to take his girl to dinner, so he brought her to see how out couples it

Thunderer rolls his eyes

Thunderer

For your information she is paying

Roglor spat on the ground and glared at Infinity

Roglor

I'm giving you last opportunity to change your mind and do the right thing

Infinity

Leo, you see how insecure you made this poor man

Thunderer

Maybe a midlife crisis?

Cowboy

Boos is only 33 years old

Roglor

Shut up you idiot

Infinity

Life has not been kind to you, it shows in the wrinkles on your face

Roglor drew his weapon from his belt and aimed it at Thunderer and Infinity, Thunderer sighed

Infinity

Leo, we don't have to do this

Roglor

A girl has to save you?

Thunderer angrily steps towards Roglor

Thunderer

This isn't the 1870s pal, get your head out of your ass and start behaving normally

Roglor

Dance for me

Roglor fired two shots from his pistol in front of Thunderer's feet, causing Thunderer to jump twice. Annoyed, Infinity fired an energy beam at Roglor, which he caught, then Thunderer saw that Roglor had a mechanical arm

Thunderer

What the... you are a cyborg cowboy?

Infinity

They are actually space pirates

Thunderer

You really got the theme wrong when you got dressed this morning

Roglor, through his gun, fired the energy he absorbed from Infinity straight at Thunderer, but Thunderer created an electric shield, the impact of Infinity's energy definitely pushed him back a few steps

Infinity

What is your problem? You're attacking an intergalactic officer!

Thunderer jumped over Infinity, he made an electric sword around his arm and attacked Roglor directly, one of Roglor's men jumped in front of him and took a hit, Roglor used this to grab Thunderer by the hood and throw him to the side

Thunderer

You're ruining my dinner, and I was really looking forward to dessert

Roglor

We'll see if you'll be funny when I'm done with you

Thunderer

You wont belive me how many them asked me the same question

Roglor started shooting at Thunderer, what made Thunderer run for cover

Infinity

Leo, don't destroy the restaurant

Thunderer

I'll do my best honey

The remaining two of Roglor's men started shooting at Infinity, she flew up, started throwing her energy in all directions like fireworks to make the two cowboys start running for cover, then she blinded them with her light and suddenly she went down, hitting one in the back with a knee, and the other with an elbow in the back of the head

Infinity

You are not so tough as your boss is

Thunderer fell to the ground next to Infinity, she quickly helped him to his feet

Infinity

Why are you engaging in close combat?

Thunderer

My blue and red lightnings are not as strong as they just to be, I feel neither fear nor anger...

Infinity

What is the yellow lightning?

Thunderer

Emptiness I guess

Roglor stepped towards Thunderer and Infinity

Roglor

Kid, stand up, have some dignity

Infinity

You are the one who's gonna talk to him about dignity...

Roglor

Say what you want beautiful, but I've never shied away from an fight
Thunderer clenched his fist, he took off his hood and stood up

Thunderer

He is constantly trying to provoke us, there must be some reason, what
is he trying to do?

Infinity looks at Roglors pistole

Infinity

He channeled my energy into his gun

Thunderer

Yeah, you're right, let's make him drain, don't use his abilities
directly on him

Roglor

Well done, really well done, it's just a shame that one shot of the
Glitter was enough to fill my weapons, you'll need a lot to empty me

Infinity

Did he just called me Glitter?

Thunderer

Leave this one to me

Infinity

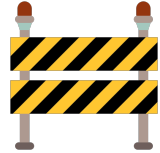

Oh my hero

Thunderer and Infinity started laughing, then Thunderer turned his
head towards Roglor

Thunderer

You are done pal

Thunderer flew up, dodging every bullet that Roglors fired at him,
then he released a strong wind from his hands that raised dust around
Roglor, he flew and punched Roglor in the jaw, Rogor took a step back,
Thunderer tried the same again blow, but this time Roglor noticed him
and hit him with the butt of his pistol in the chest, Thunderer
quickly grabbed Roglor's hand and lifted it up, he held it tight, as
Roglor tried to point the pistol at him again, a couple of shots were

fired into the void. Thunderer then hit Roglor in the head with his head, causing Roglor to drop his gun. Infinity picked up the gun and fired the remaining bullets into the void. Thunderer used this to grab Roglor by the shoulders and unleash a strong amount of electricity, knocking Roglor unconscious.

Infinity

Do you see what emptiness does to a person?

Thunderer chuckled

Infinity

I;m not joking Leo, you can't go on like this

Thunderer

I know honey, I think I will take your advice and find something to relax me

A few minutes later, Roglor and his men are handcuffed and put on the curb, Infinity talks to the waiter and writes him a check.

Infinity

I apologize for the trouble we have caused you, please accept this generous donation for LSWFFIPAMATW

Thunderer gives the camera to the waiter

Thunderer

May I ask you a favor good sir. I would be grateful if you could take a picture of my better half and me, so that we can have memories of our young adventurous days.

Waiter

Why are you talking like that?

Thunderer

I thought rich people talked like that

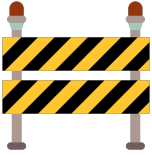

Waiter

If I were rich I wouldn't be working for these irritating conceited nobles

Thunderer

Fair enough

The waiter took a picture of Thunderer and Infinitiy with Roglor, then handed the camera back to Thunderer

Infinity

Don't show that picture at home, I received a message that this is a wanted group of pirates, so you don't get into trouble with your agency

Thunderer

Yeah, about that, I think I have decided what I will do next

Infinity

I'm listening

Thunderer

Since the multiverse is new to us, the agency doesn't have rules there yet, so I'll use my days off to travel the multiverse and maybe make a map of it, who knows

Infinity

You are the only person who would use his days off to work. Can I trust you to be safe?

Thunderer

I have reason to come back, you. Thank you for caring for me

Infinity

Always

Thunderer removed the device from his belt and placed it around his forearm

Infinity

You really carried the gateway with you and you didn't even know you were going to dimension hop?

Thunderer

I always carry with me, I won't get stuck again, no thank you

Infinity

Take care clownfish

Thunderer

You to honey boo

Thunderer used his lightning bolts to open a rift into which he jumped, then immediately went back

Thunderer

I almost forgot

Infinity

What?

Thunderer hugged and kissed Infinity, then jumped back into the rift

INT. Tunnels in between dimensions, day/night

Thunderer flies through the tunnel, leaving electrical energy behind, when he passed through the rift into another dimension, that energy began to collect.

Electrical energy

This feeling... It can't be...
