We see a wooden house in the woods from which comes a scream

Page 1, Panel 2

Now, inside we see Infinite lying on the ground, and The SuperHero hands separating the skin on the shoulder where the bullet entered

Infinite: For the love of God, stop

Page 1, Panel 3

TheSuperHero: Do you want me to take the bullet out?

Infinite: No!

TheSuperHero: You can't heal with it in

Page 1, Panel 4

Infinite: I can't recover if you rip me in half

Page 1, Panel 5

Samantha puts stick in Infinite's mouth for him to bite

Samantha: This should help

Page 1, Panel 6

TheSuperHero puts his hand inside Infinite's shoulder

Page 2, Panel 1

TheSuperHero pulls his hand from Infinite's shoulder, the bullet is in TheSuperHero's hand, blood splattered in all directions

Page 2, Panel 2

Infinite: Help! I will bleed to death!

Page 2, Panel 3

Ildro cuts her arm and blood drips down Infinite's wound

Page 2, Panel 4

Infinite stands up and looks at his wound

Infinite: Why is not healing!?

Page 2, Panel 5

His wound healed

TheSuperHero: Do not Cry!

Page 2, Panel 6

TheSuperHero looks at Ildro and he has a shocked expression on his face, we see Ildro from behind

Page 3, Panel 1

The blood on Ildro's arm doesn't stop leaking and her wound doesn't heal

Page 3, Panel 2

Page 4, Panel 5

Hollow: I can't just sit here and do nothing

Justice: She might be our best chance of finding them

Page 5, Panel 2

Hollow flies around and sees things on the floor

Hollow: they left in a hurry

Page 5, Panel 3

He opens the shelf and sees the clothes on the hanger and the hangers on the floor, the hangers are falling on the left side, and nicely packed on the right

Hollow: They took the first thing they got, and they weren't with TheSuperHero during the fight

Page 5, Panel 4

Justice: They fled immediately after its announcement?

Hollow: That is the current theory

Hollow: There is one more thing

Page 5, Panel 5

Hollow looks at the picture of Mark and his daughter on the ground, a trace of a shoe can be seen in the picture

Hollow: Someone else was here before us

Justice: Maybe they accidentally stepped on it during the escape

Page 5, Panel 6

The shoe was pointed opposite the door, Mark is a short man, I don't believe he has feet this big, and because of his connection to his daughter, I don't believe that, even on the run, he would step on their picture, on the contrary, he would take it with him.

Hollow: Which means someone else is looking for them

Page 6, Panel 1

We see hands at the cash register, one hand handing out three sandwiches and cans of juice, and the other person's hand handing out money

Worker: That would be, \$ 9.69

Mark: it's just a sandwich

Page 6, Panel 5

Komet: No, it's not just a sandwich, after everything that happened, you decided to stay with me

Page 6, Panel 6

Mark looks at his daughter

Mark: Where are we going now? Do you have a safe house or something?

Komet: All safe houses are in the Supremes database, we can't cross the border, because the police is probably looking for us, we will have to stay in a motel for a few days

Page 8, Panel 3

Conscience: It's your fault

Fuse: You said what now!?

Conscience: It's all our fault, we all feel the same way as you ... only that feeling is greater for you, because Ardic is a good friend of yours.

Page 8, Panel 4

Fuse: I promised him that I would listen to him and that I would respect his training, and all I have done so far is that I have teased him because he is strict

Conscience: Yes, that's what you did

Page 8, Panel 5

Fuse: Fuck, did he have to end up in a hospital bed beaten up for me to realize this wasn't a game

Fuse: He warned me, at first I listened to him, but as time went on, I became more and more relaxed, not understanding the consequences of my actions

Page 8, Panel 6

Fuse: Wow, it was good to get all this out of me

Fuse: Thank you, it's good to talk to you conscience, probably because you're in my head and you know exactly what I need to hear

Conscience: Anytime...

Page 9, Panel 1

Conscience: It would be good if you come to my office tonight

Fuse: Why?

Page 9, Panel 2

Conscience: While I was in your head, I stumbled upon the memory of your father's death

Fuse: You don't have fucking right to look at my memories

Page 9, Panel 3

Fuse: It's my privacy, that I wanted to ...

Page 9, Panel 4

Fuse: Sorry, my short fuse burned again

Page 12, Panel 2
