Michael: How come I haven't seen this before

Page 1, Panel 2

Micahel: Fuck! Shit is about to go down

Page 1, Panel 3

He takes his phone

Michael: Everything can be solved

Page 1, Panel 4

He hears ringing behind him

Page 1, Panel 5

Detective Hollow is standing in front of him now

Michael: How?!

Hollow: I am a detective after all

Page 1, Panel 6

Michael: I have useful information, about the fugitive

Page 2, Panel 1

Hollow: Yes, you do have them, but I already know

Michael: But how?

Page 2, Panel 2

Hollow: You didn't expect someone to be able to go through your toy and leave a tracer in it

Page 2, Panel 3

Hollow: You don't have eyes on his back Michael

Page 2, Panel 4

Michael: Not a toy

Hollow: What?

Michael: You called Hunter a toy, he's not a toy

Page 3, Panel 1

Mark is still sitting on the ground

Mark: Do you have something to tell me?

Page 3, Panel 2

Komet: I wasn't sure...

Mark: But you doubted it?

Page 3, Panel 3

Mark: Did you suspect she wasn't my daughter!?

Komet: Yes...

Page 3, Panel 4

Mark: I can't believe all these years I've been your fool who would come back to you whenever you pay a little attention to me

Page 3, Panel 5

Mark: I kept quiet about everything, I allowed you everything, I trampled on my self-esteem

Mark: And for what?

Page 3, Panel 6

Mark: So you can leave me alone every day with your bastard and make me feel guilty

Page 4, Panel 1

Mark stands up

Mark: Hell, because of you, I ruined my chance to be with a woman who really loves me! I ruined the chance to have a real family!

Page 4, Panel 2

Mark: You're just an ordinary dirty whore who only cares about her ass! Fuck you! Fuck you and your super friends!

Page 4, Panel 3

Komet: I know how you feel now

Mark: How the fuck do you know!? You know nothing!

Mark: You lied to me, you gave me hope

Page 4, Panel 4

Mark: And now ... now you've ruined it all, you've stepped on it like shit

Page 4, Panel 5

Komet: Emma might not be your blood, but she is your daughter, you raised her...

Komet: ...more than I did

Page 4, Panel 6

Mark screams

Page 5, Panel 1

Mark: I don't want to see you ever again

Mark: You brought us into this shit, this is all your fault

Page 5, Panel 2

Mark walks towards Komet

Mark: I'll separate Emma from you, I swear to you

Page 5, Panel 3

Mark: You're putting her life in danger, just look at her!

Page 5, Panel 4

Komet shows sadness and fear at the same time

Page 5, Panel 5

Justice stands behind Mark

Mark: You have nothing to tell me?

Page 5, Panel 6

Justice puts handcuffs on Mark's hands

Justice: I have, you are arrested for complicity in the escape of Valentin Zaitsev aka Devuska Komet

Page 6, Panel 1

Justice: Don't resist, it can only end badly

Page 6, Panel 2

Justice puts handcuffs on Komet's hands

Justice: You are arrested for covering up the murder and suspicion of murder

Page 6, Panel 3

Komet: What about Emma

Justice: Our doctors will help her

Page 6, Panel 4

Justice: And you go directly to Earth Guardians headquarters for questioning

Page 6, Panel 5

Hunter stands up and takes his sword with his bionic arm

Justice: Hollow stop him

Hollow: I don't control him, he's aware of what he's doing

Page 6, Panel 6

Hunter gives his sword to Justice

Justice: Can you speak?

Justice: Alright, you're coming with us, maybe Conscience can help you

Page 7, Panel 1

Fuse knock on the door

Page 7, Panel 2

Conscience opens the door

Conscience: Thank you for coming

Page 7, Panel 3

Fuse is sitting on the couch

Conscience: Relax, do you want something to drink

Fuse: No thank you, before we start, I want to ask you something

Page 7, Panel 4

Fuse: While you were in my head before, you may have come across some information, and I want to be clear

Page 7, Panel 5

Fuse: Yes, I like older women, but not much older, 10-15 years maximum, they are more experienced and mature

Page 7, Panel 6

Fuse: And I look at you in a special way, but our relationship is strictly professional, and I wouldn't want to change that, I don't think I wouldn't want to, I just don't think it would be a good idea

Page 8, Panel 1

Conscience: I didn't read any of that

Fuse: O shit

Page 8, Panel 2

Fuse: Well now you know and all the sexual tension between us is resolved

Fuse: It's not like there's ever been any, professional relationship

Page 8, Panel 3

Fuse: I'm sorry, I've never been to therapy before, I'm kinda nervous

Page 8, Panel 4

Conscience: Tell me, are you attracted to older women because you miss your mother

Fuse: What the fuck, how you made that crazy connection?

Page 8, Panel 5

Conscience: You are looking for experience and maturity in a woman, it describes the mother figure

Conscience: You left home early, it's normal that you miss your mother

Page 8, Panel 6

Fuse: Are you still in my head?

Conscience: No, I read something in your file, and something you mumbled to me

Fuse: Good

Page 9, Panel 1

Fuse: I do miss my family, my home, but it has nothing to do with my sex ... sorry, with my love life

Conscience: If you miss them so much, why don't you visit them

Page 9, Panel 2

Fuse holds his pistole up

Fuse: I can't, my mother was clear, as long as I have this, I am not welcome

Page 9, Panel 3

Conscience: As far as I understood that weapon belonged to your father

Fuse: Family heritage

Conscience: Do you think that pistole is responsible for breaking up your family?

Page 9, Panel 4

Fuse: My family is not broken up, everything will return to normal when ...

Conscience: Go on

Fuse: When I finish my mission

Page 9, Panel 5

Conscience: And how long do you think it will take, it's been three years since you left home

Fuse: As long as it takes, Ardic says ...

Page 9, Panel 6

Conscience: Did he give you the pistole?

Fuse: No, I took it

Conscience: You broke into Earth Guardians base and took pistole?

Fuse: No, not like that

Page 10, Panel 1

Fuse: Mother trew it in trash, I took it from there

Conscience: And how did it got to your mother

Fuse: Ardic gave it to her, after father died

Page 10, Panel 2

Conscience: Why?

Fuse: He knew it was a family heirloom and he wanted me to ...

Conscience: So he wanted you to have it

Fuse: I guess

Page 10, Panel 3

Conscience: Your father carried that pistole when he died, your mother threw it in the trash, but you took it and left the house

Page 10, Panel 4

Fuse: Okay, okay, the pistole is in a way, indirectly responsible for me leaving the house

Conscience: Are you ready to leave it in the drawer when you get revenge

Page 10, Panel 5

Fuse: Why would I do that?

Conscience: To fix the relationship with the mother

Fuse: The relationship will improve when she sees that I killed father's killer

Conscience: She doesn't want revenge, she wants you alive, that's why she didn't want you to take the pistole

Page 10, Panel 6

Fuse: I am tired, can I go?

Conscience: Of course, go and rest, we will continue this conversation another day

Page 11, Panel 1

Ildro is sitting on a chair, she is worried

Page 11, Panel 2

Ildro: Don't

TheSuperHero: I'm not gonna hurt you, I just want to see it

Page 11, Panel 4

TheSuperHero: You are not good, fucking wound didn't heal

TheSuperHero: You are losing your powers

Page 11, Panel 5

He puts some kind of leaf on her wound

Ildro: What is that

TheSuperHero: My father trained me before I developed my powers, he used this leafs to make my wounds heal faster, I think it will help you

Page 11, Panel 6

TheSuperHero: I picked up the blood left on the floor when you treated Infinite, I should be fine for the next few days, until then I don't want to see new wounds on you

Page 12, Panel 1

Ildro: You'll have to take more blood while there's time

TheSuperHero: What?

Page 12, Panel 2

Ildro: It took time for Infinite to heal, I think my powers are weakening, the blood you collected may not be enough

Page 12, Panel 3

TheSuperHero: I won't hurt you to heal myself, we'll find another way

Page 12, Panel 4

TheSuperHero: I didn't have time to give my urine, I still don't know what's happening to me

Page 12, Panel 5

Ildro: There is other option

TheSuperHero: I'm listening

Ildro: I have a brother in town, he has the same abilities as me

Page 12, Panel 6

TheSuperHero: Do you trust him?

Ildro: We are not on a speaking terms

Page 13, Panel 1

Ildro: I can give you his address

TheSuperHero: He needs to come to us

Page 13, Panel 2

Ildro: He wont, you need to find him

TheSuperHero: I can't go back to city!

Page 13, Panel 3

Ildro: Then fly deep in wood, because I don't want to see you fucking die in front of me

Page 13, Panel 4

They are just looking at each other

Page 13, Panel 5

TheSuperHero: I'm good for now, but give me his address

Page 13, Panel 6

TheSuperHero: Do you need any medication for your pregnancy, or something? Make me a list

Ildro: I don't know

TheSuperHero: I'll get you a book

Page 14, Panel 1

TheSuperHero: Like you, I'm going through this for the first time, I'm not ready

Page 14, Panel 2

TheSuperHero: The pregnancy came out of nowhere, at an awkward moment

Page 14, Panel 3

TheSuperHero: I know the conditions are not like that, but I will do my best for you to have a normal pregnancy

Ildro: Thank you

Page 14, Panel 4

TheSuperHero puts his head on Ildro's stomach

TheSuperHero: We are in here together, all three of us

Page 14, Panel 5

TheSuperHero stands up, scared

Ildro: What happened?

TheSuperHero: I can't hear heartbeat?

Ildro: Whose?

TheSuperHero: The child's woman, no heartbeat

Page 14, Panel 6

Ildro hugs TheSuperHero and smiles

Ildro: It's early for that

Page 15, Panel 1

Page 16, Panel 2

Page 16, Panel 3

King: Did she ordered his murder?

Justice: No

Page 16, Panel 4

King: Why did you called us then?

Page 16, Panel 5

Justice: I thought you might want to hear progress

Page 16, Panel 6

King: I don't want to hear progress, but results

Page 17, Panel 1
