Page 1, Panel 5

TheSuperHero and Ildro are having sex on desk

TheSuperHero: I can explain

Page 1, Panel 6

Infinite is on streets fighting super villain which can turn into a liquid, Liquid has a suitcase in him

Infinite: Did you seriously call yourself liquid? You were really inspired when you came up with the name

Page 3, Panel 2

Infinite strikes Liquid, but he changes shape

Liquid: Guy named "Infinite" laughs at my name

Infinite: At least it's not elongated man or stretch

Page 3, Panel 3

the suitcase in Liquid begins to ring

Infinite: You must have smoked a crack, looked in the mirror and thought "Fuck what a great name Liquid would be"

Liquide: We'll see who's the last to laugh

Page 3, Panel 4

Infinite: Okay, enough jokes, you'll blow yourself up and the whole block with that

Liquid: At least people will understand my message

Infinite: What fucking message? You haven't said anything since you came

Liquid: Because you didn't give me a chance!

Page 3, Panel 5

the suitcase in Liquid exploded

Liquid: I am here to tell you all about...

Liquid: Fuck!

Page 3, Panel 6

Infinite throws himself around Liquid and the explosion, hugs them

Page 4, Panel 1

The explosion happens inside a ball that Infinite has made of himself, we see him and his facial expression struggling not to give up

Page 4, Panel 2

The explosion ends, Infinite opens, the uniform on his chest burns down, he falls to the ground, and Liquid (who was in him) slowly assembles

Page 4, Panel 3

Liquid: Why did you do that?

Page 4, Panel 4

Infinite: Idiot, what did you expect to happen !? How much damage would you do !? And for what !? To break yourself in half a sentence of some stupid statement !?

Page 4, Panel 5

Infinite stands in front of Liquid who is sitting on the ground

Infinite: Prison is not enough punishment for sick thinking like yours

Liquid: I did not think with a clear head, I wanted to bring justice, but in the wrong way

Page 4, Panel 6

I haven't always been like this, they changed me, doctor ...

Page 5, Panel 1

Infinite hits Liquid with a wide fist, which caused Liquid to spill on the street

Liquid: What are you doing!?

Page 5, Panel 2

Infinite hits him again

Liquid: Please stop! I need help!

Infinite: You didn't stop before you almost killed me

Page 5, Panel 3

Page 5, Panel 6

Page 6, Panel 1

Page 6, Panel 2

Hollow is standing behind Infinite

Hollow: It's good to see you on your feet again, I hope you have time for a few questions

Page 6, Panel 3

Infinite: Shouldn't you make an appointment before you show up? And we are in the middle of the street

Hollow: Yes, you are right

Page 6, Panel 4

Hollow: But this is a special case, I'm kind of in a hurry, you could say

Infinite: If you want my statement, make an appointment, by then goodbye

Page 6, Panel 5

Hollow: It's weird that you didn't call me when you recovered, like I asked

Infinite: I didn't know I needed to call you

Page 6, Panel 6

Hollow: I wasn't told that

Infinite: What do you mean?

Hollow: You're hiding something

Page 7, Panel 1

Hollow starts flying around Infinite

Infinite: I ended up with a hole in my stomach, made by the Emerald Trident

Hollow: Maybe you attacked first, the others were just defending themselves

Page 7, Panel 2

Infinite: Let me write that theory off for you right now, TheSuperHero and Devuska Comet wouldn't let me back in team if I were a traitor

Hollow: Your wounds healed quickly, they weren't as dangerous as media told us

Page 7, Panel 3

Infinite: Look at my hospital record, and you'll see, I don't need to justify myself to you

Page 7, Panel 4

Hollow: Once again you are right, forgive me please, because of my job I am not able to have normal conversations, I hope you will not resent me

Infinite: We are good, we are good

Page 7, Panel 5

Hollow is flying away, Infinite is calling TheSuperHero

Infinite: TheSuperHero, the fart questioned me this time

Page 7, Panel 6

Infinite: I don't know, he seems to know something, but I told him nothing

Page 8, Panel 1

Guardian walks in Michael's office

Michael: Knock, man, you've been running here lately, I'll take the door off at the end

Page 8, Panel 2

The guard gives Michael a tablet

Guard: This is important

Page 8, Panel 3

On the tablet is footage of TheSuperHero holding Ildro in his arms and flying through the city

Michael: So what? He found another poor girl to take advantage of

Guard: This is a recordnig from yesterday, he shouldn't be able to fly

Page 8, Panel 4

Guard: I found out who she is, her alias is Ildro, she has regenerative abilities, they must have found a way to cure him

Michael: A king has a new queen...

Page 8, Panel 5

Guard: What are we going to do now?

Michael: What can we do? The only thing left for us is to sacrifice our queen

Page 8, Panel 6

Michael: And rely on our cannon

Page 9, Panel 1

Komet flies through the city, her phone rings, Michael calls her

Page 9, Panel 2

Komet: What do you want?

Michael: Can you talk?

Page 9, Panel 3

Michael: You're angry, I understand that, but I have a proposition for you
You're angry, I understand that, but I have a proposition for you

Komet: I don't want to hear it

Page 9, Panel 4

Michael: It will benefit both parties, we need your statement on what happened to the
Supremes and I can get you full custody of your daughter

Page 9, Panel 5

Komet: So now you can help?

Michael: Yes

Komet: But you couldn't before?

Michael: The situation has changed

Page 9, Panel 6

Komet: No, you're a lying piece of shit, don't call me again

Page 10, Panel 1

Michael: How would your hero react when he finds out that you poisoned him?

Komet: Do you think he'll trust you when he finds out you had connections with Hunter?

Page 10, Panel 2

Komet: And don't you dare threaten my family, because in less than half an hour I can bring in
an army of soldiers and tear down that poor base of your

Page 10, Panel 3

Komet ends the call

Page 10, Panel 4

Mark is sitting on the beach

Mark: Remember when you rescued the ship I was on six years ago, right there, in the middle of the ocean, when the kraken attacked us

Komet: What did you come up with? You suddenly changed your mind

Mark: Can you sit down, next to me?

Page 10, Panel 5

Mark: Can we have a normal conversation without you running to save the world?

Komet: I finished work today

Page 10, Panel 6

Mark: I'm glad, I miss the times when we sat somewhere alone after work and talked about what day we had

Komet: It's been a long time since that

Mark: What happened to us?

Page 11, Panel 1

Komet: You don't understand that my job is important

Mark: Lizz, What really happened to us? You had this job before I met you and it wasn't always like this

Page 11, Panel 2

Komet: I didn't have so many obligations before...

Mark: You know you can talk to me, I'm here to listen to you like I used to

Page 11, Panel 3

Komet: Where did that sudden change of character come from, you haven't behaved like that for the last three years

Mark: I guess I was stubborn, just like you were to me, but now I see it's not going anywhere, we're going to lose our family

Page 11, Panel 4

Komet: I'm willing to start over, if you are too

Mark: I am

Page 11, Panel 5

Komet: But if we're going to have an honest relationship, I don't want to hide it from you...

Page 11, Panel 6

Mark puts his hand over Komet's hand

Mark: I know, I wasn't a faithful husband either, but we better leave that behind

Page 12, Panel 1

Ildro is walking down hallway

Offscreen voice: Girl I forgot to ask for a name, wait!

Page 12, Panel 2

Infinite ran up to Ildro

Ildro: It's Ildro

Infinite: I'm Infinite, but I'm sure you already knew that

Page 12, Panel 3

Thye both continue walking down the hallway

Infinite: He called you too?

Ildro: He called entire team, has important news

Page 12, Panel 4

Infinite: So, are you two a thing or are you just fucking?

Ildro: That shouldn't interest you, you have a girlfriend if I remember correctly

Infinite: I just asked

Page 12, Panel 5

They enter TheSuperHero's office, where he waits for them

Page 13, Panel 1

TheSuperHero: Where is Devuska Komet?

Page 13, Panel 2

Ildro: I haven't seen her since this morning

Infinite: I was on mission entire day

Page 13, Panel 3

TheSuperHero walks out of office

Infinite: Do what?

TheSuperHero: Follow me

Page 13, Panel 4

TheSuperHero, Ildro and Infinite are walking down the hallway

TheSuperHero: We can't let the Detective play with us, he humiliates us by thinking he is smarter and a step ahead

Page 13, Panel 5

TheSuperHero: They have one advantage over us, and we have to make sure that advantage does not turn into a problem

Page 13, Panel 6

Infinite and Ildro are shocked

TheSuperHero: I will reveal to the world that I killed Hunter, Creature and Trident

Infinte: You will do what now!?

Page 14, Panel 1

They all walk in room, where camera is pointed at flag of America

TheSuperHero: I take the blame on myself, it's up to you to decide if you're with me or against me

Page 14, Panel 2

TheSuperHero stands in front of camera

TheSuperHero: I am TheSuperHero, the leader of Supremes and the hero of America, I have dedicated my life to protecting your lives for years

Page 14, Panel 3

TheSuperHero: In the last few days there has been speculations about what actually happened to Supremes and I am here to tell you the real truth

Page 14, Panel 4

TheSuperHero: I wasn't completely honest with you, Emerald Trident and Hunter betrayed us and used Creature to attack me

Page 14, Panel 5

TheSuperHero: The creature was collateral damage

Page 14, Panel 6

TheSuperHero: But Hunter and Emerald Trident deservedly died

Page 15, Panel 1

TheSuperHero: All three died by hand

Page 15, Panel 2

TheSuperHero: They used Creature to attack us, I was the only one who resisted and fought them

Page 15, Panel 3

TheSuperHero: If you want to blame me, feel free, it doesn't change the fact that I would do it again and that I will do the same to anyone who tries to attack me or my friends

Page 15, Panel 4

TheSuperHero: If you don't support me, feel free to go now, I don't need cowards, I gave the last atom of strength defending this country and I don't expect others to do the same

Page 15, Panel 5

Several guards leave their weapons on the ground, but a smaller portion of them remain with their weapons in position

Page 15, Panel 6

Guard who left their weapons are leaving the building

Page 16, Panel 1

TheSuperHero: Anyone who finds me guilty of what I did and thinks I deserve to be punished will get a chance to punish me

Page 16, Panel 2

TheSuperHero: I will spend the next 24 hours here, the doors are open, everyone who wants to punish me is welcome

Page 16, Panel 3

TheSuperHero looks at Ildro and Infinite

TheSuperHero: But know one thing, if you're coming, be fucking sure you can overpower us, because we don't give up so easily

Page 16, Panel 4

TheSuperHero is in front of camera, Ildro is on his right and Infinite is on his left, guards are behind them
