Frontier kicks the door open

Page 1, Panel 2

Michael's guards start shooting at him

Page 1, Panel 3

We see Frontier covering his eyes because of the bullets, and Fuse and Ardic jump over him and attack the guards to the guards.

Page 1, Panel 4

Ardic releases energy from the hand that knocks down two guards, while Fuse kicks one guard and kicks the other with his elbow.

Page 1, Panel 5

One guard, still on the ground, is trying to kill a rifle that fell on him

Page 1, Panel 6

He rested his pistol on the back of the guard's head

Fuse: Do us both a favor and don't do it

Page 2, Panel 1

Michael runs towards Fuse

Michael: Let him go!

Fuse: Only if you insist

Ardic: Fuse, that's enough

Page 2, Panel 2

Michael: What the fuck Hollow, this is secret location, you can't bring them here

Fuse: He told us nothing, we founded this on google maps

Hollow: That is never our deal, I said we would help you, we need shelter for that

Page 2, Panel 3

Conscience: No one is hurt, let's get to the point since we don't intend to stay here

Michael: Come to my office, but only two

Page 2, Panel 4

Michael looks at Frontier

Michael: Room is not big enough

Page 3, Panel 1

Fuse and Ardic are sitting in the canteen, two guards from before are sitting next to them, one is holding ice on his eye

Fuse: Not hard feelings buddy

Page 3, Panel 2

Ardic: Don't joke with them

Fuse: Why, they are funny

Ardic: Because we beat them few minutes ago

Page 3, Panel 3

Frontier is sitting next to them

Fuse: They shot at us first

Ardic: Yes, but Frontier ran towards them, they had the right to defend themselves

Page 3, Panel 4

Fuse: It's not my fault that Frontier likes to show dominance

Frontier: Yeah, you blame the big guy for everything

Fuse: No buddy, you were great

Page 3, Panel 4

Hollow sits with them

Ardic: Fuse, please concentrate, these people will help us, we should not make enemies of them

Fuse: Relax Ardic, they will certainly help us, their freedom depends on it

Page 3, Panel 5

Hollow: As far as I could see, they are not very skilled fighters, with the exception of one that Michael keeps with him

Page 3, Panel 6

Ardic: So we better not count on them

Hollow: If we want to get by with as few casualties as possible, yes

Fuse: Told ya, I can make fun of them as much as I want

Page 4, Panel 1

Justice, Conscience, Michael and Guardian are in Michael's office

Michael: You already know his abilities and most of the crimes he committed, so I'll skip stories of that

Page 4, Panel 2

Conscience: We know everything, his team includes a man with elastic abilities and a girl with regenerative abilities, her blood can heal the biggest wounds, and even slow down the effect of the virus you put in TheSuperHero

Page 4, Panel 3

Michael: I'll only tell you this once, get the fuck out of my head

Justice: We are not here to share information with you

Page 4, Panel 4

Michael: Then you have nothing to do here

Justice: I know who you are

Michael: Good, then you know ...

Justice: I know you were a military strategist before you were dishonorably discharged

Page 4, Panel 5

Justice: What we are fighting against now should not be taken lightly, that is why we have come to you

Page 4, Panel 6

Justice: We will fulfill all the conditions you have previously stated

Page 5, Panel 1

Michael stands up and Guardian gives him the key

Michael: Follow me

Page 5, Panel 2

They all entered one room which is full of weapons

Michael: Welcome to the vault

Justice: You know we're going to confiscate all this after the fight

Michael: I don't care

Page 5, Panel 3

Michael: You wanted an answer on how to stop TheSuperHero, kill him

Page 5, Panel 4

Michael: None of this is enough, but it will help you, shields stop his lasers, body armor cushions his blows, rifles slow him down, equip yourself, take whatever you need

Page 5, Panel 5

Justice takes body armor

Justice: The same technology my armor is made of ... You stole it

Michael: No, I improved it

Page 5, Panel 6

Michael: You can arrest me, or you can take the help I offer you

Page 6, Panel 1

TheSuperHero is sitting in a chair, waiting, Infinite is walking in front of him

Infinite: They will send Earth Guardians to us

TheSuperHero: I know

Infinite: So what are we going to do?

Page 6, Panel 3

TheSuperHero: We will fight

Infinite: They outnumbered us

TheSuperHero: So what, I'm stronger

TheSuperHero: Have faith in yourself, you wouldn't be here if I thought you were weak

Page 6, Panel 4

TheSuperHero is calm, while Infinite has a worried expression on his face

Justice is mine, but he will send his minions to me first, you will help me clear the way to him, I do not want you to interfere in my fight with him. I want the whole world to see that I am the strongest

Infinite: Sounds fair

Page 6, Panel 5

TheSuperHero: Where the fuck is Devuska Komet

Infinite: I don't think she is coming

Page 6, Panel 6

Infinite: I'm going to the bathroom

Page 7, Panel 1

Infinite enters the bathroom

Page 7, Panel 2

He leans against the sink and looks in the mirror

Page 7, Panel 3

Ildro opens the door of a toilet behind him

Ildro: What are you doing here, you fucking pervert!?

Infinite: Chill, I came to wash my face

Page 7, Panel 4

Ildro: In the ladies' room

Infinite: This is a men's toilet, honey

Page 7, Panel 5

Infinite: What are you doing here? Maybe Super dick isn't enough for you, so you're waiting for someone else

Page 7, Panel 6

Ildro takes her knife and puts it on Infinite's neck

Infinite: Someone got up on the wrong side of the bed this morning

Ildro: Listen to me, bastard, I'm the one who brought your life back, I won't have the slightest regret to take it away from you again

Infinite: Do it, come on, do it, and we'll see how TheSuperHero reacts to it

Page 8, Panel 1

Ildro walks out

Ildro: You're a piece of shit

Infinite: Insulting has become a habit to you

Page 8, Panel 2

Infinite looks at the toilet Ildro was in

Page 8, Panel 3

He lifted something off the floor, we don't see what

Page 8, Panel 4

He smiled, we still don't see what he is holding

Infinite: Holly shit!

Page 9, Panel 1

Komet and Mark run into their house

Komet: Take the most necessary things, leave the phone, they can follow it

Page 9, Panel 2

Marks starts putting clothes in a bag

Page 9, Panel 3

Komet is waking up her daughter

Komet: Hey, honey, we have to go

Page 9, Panel 4

Kid: Where is Dad?

Komet: He is coming too

Kid: Dad!

Page 9, Panel 5

Mark walks in and hugs his kid

Mark: I'm here, I'm here, nothing to worry about, sweetheart, mom, you and I are going on holiday

Page 9, Panel 6

Mark, Komet and kid are entering the car

Page 9, Panel 7

The car goes down the street

Page 10, Panel 1

Earth Guardians are putting the equipment Michael gave them

Page 10, Panel 2

Frontier and Hollow

Frontier: They have nothing in my size

Hollow: I can't even put on any of this

Frontier: It is good that the two of us know how to adapt to the situation

Page 10, Panel 3

Guard is giving guns to Fuse and Ardic

Ardic: I don't use that

Fuse: And I have my own

Page 10, Panel 4

Guard: This one is better, it was made ...

Fuse: Listen to me here, my pistole is a family heirloom, no gun is better than it

Page 10, Panel 5

Ardic puts his hand on Fuse's shoulder

Ardic: He is just doing his job

Ardic: Thank you, the two of us have already devised an attack plan, weapons would change it, and we don't have time for change

Page 10, Panel 6

Fuse: You're right

Fuse: Sorry buddy, we're all a little nervous, I have a short fuse before the mission, that's why I got this name

Guard: It's all good

Page 11, Panel 1

Michael and Guard are in car, parked in front of Samantha's house, we only see car

Page 11, Panel 2

Guard: We got a babysitting job

Michael: If TheSuperHero does not honor the agreement, or if he falls, all his associates will run away

Page 11, Panel 3

Michael: Infinite will first run to his girlfriend, who did not separate from him while he was in the hospital

Page 11, Panel 4

Guard: So we're here to kill him

Michael: No, he's an idiot, but he didn't do anything so bad, he's stupid, but he tried to help others

Page 11, Panel 5

Michael: If he shows up here, it's our job to arrest him, nothing more

Page 11, Panel 6

Michael: And that will be a plus for us at Earth Guardians, we have to offer them something if TheSuperHero overpowers them

Page 12, Panel 1

Ildro is sitting on the steps next to TheSuperHero, he is sitting on a chair and waiting

TheSuperHero: Thank you for being here

Page 12, Panel 2

TheSuperHero: I saw that you were the first to stand by me when I declared war on the Earth Guardians

Page 12, Panel 3

TheSuperHero: For years I waited a moment to prove myself

Ildro: That moment will come soon

Page 12, Panel 4

TheSuperHero: It meant a lot to me knowing that you were next to me, I know how to appreciate that

Page 12, Panel 5

TheSuperHero: And I want to tell you something before the fight starts

Page 12, Panel 6

TheSuperHero and Ildro are just looking at each other

Page 13, Panel 1

Ildro: I am listening to you

Page 13, Panel 2

TheSuperHero smiles

TheSuperHero: it's stupid in a way

Page 13, Panel 3

TheSuperHero: Ever since you showed up, the anger in me has diminished

Page 13, Panel 4

TheSuperHero: I'm calmer and more focused, it's all thanks to you, I realized what my father was missing and why he was like that

TheSuperHero: I don't want to end up like him, I think you're helping me get out of the way, so I want to tell you...

Page 13, Panel 5

Infinite runs in

Infinite: They are here! All of them!

Page 13, Panel 6

TheSuperHero stands up

TheSuperHero: Good, I was starting to think that they won't show up

Page 14, Panel 1 (larger panel)

Page 14, Panel 2

Justice: TheSuperHero, Infinite, Ildro and everyone else inside, you're under arrest for murder or complicity in the murder of six superheroes

Page 14, Panel 3

Justice: I give you a chance to surrender, know that it will go on the record and your sentence will be reduced

Page 14, Panel 4

Justice: If you choose not to do so, we will be forced to use force

Page 14, Panel 5

Silence

Page 14, Panel 6

Justice: You've made a decision

Page 15, Panel 1

Page 18, Panel 3
