Samantha: She is pregnant and no longer has her powers

Page 3, Panel 4

Fuse takes his handcuffs

Fuse: How did it happen?

Samantha: When two people love each other, they don't actually have to love each other

Page 3, Panel 5

Fuse: Don't act stupid now, I am asking for powers

Samantha: All connected

Page 4, Panel 1

Fuse is taking Ildo and Samantha out, while Frontier is carrying Jason

Page 4, Panel 2

Page 4, Panel 3

Hollow: Put them in line

Frontier: This one is not with them, I will take him to the doctor

Page 4, Panel 4

Jason: There is really no need for that

Frontier: No, I insist, we need to make sure everything's okay with you buddy

Page 5, Panel 2

Justice: Look at the big screen!

Page 5, Panel 3

TheSuperHero looked on a building with big screen on it and sees Ildro, Infinite and Samantha tied, Fuse waves to camera

Fuse: Payback bitch

Page 6, Panel 1

TheSuperHero: You call this justice, you're blackmailing me with my family

Page 6, Panel 2

TheSuperHero: You won't do anything to them, you would break your code

Page 6, Panel 3

Justice puts his hand on his ear

Hollow: He won't, but I will

Justice: Hollow, stand back, you don't have permission!

Page 6, Panel 4

Fuse: You're bluffing, aren't you?

Hollow: I can't stand back and watch the Earth collapsing because we are trying to respect the rights of tyrants

Page 6, Panel 5

TheSuperHero: I haven't had a chance to tell you this face to face

Page 6, Panel 6

TheSuperHero: But when all this is over, your skull will serve as my trophy

Page 7, Panel 1 and 2

TheSuperHero: Fuck off

Page 8, Panel 5

Conscience: I order you to stay calm

Page 8, Panel 6

TheSuperHero stands stiff as a medical worker injects an injection into his neck

TheSuperHero: I will kill you because you entered my head while I was vulnerable

Conscience: I order you to sleep

Page 8, Panel 7

TheSuperHero falls asleep

Page 9, Panel 1

Justice stands in a dark room, with a hologram of the Mikars king

Justice: Your Majesty, I'm glad to inform you that we have captured your son's killer

Page 9, Panel 2

Justice: He is in our custody and we are awaiting your further orders

Page 9, Panel 3

King: Very well, we will send our eldest son, prepare the ground for the fight

Justice: Ground for the fight?

Page 9, Panel 4

King: You know our rules, Our son comes for a fair fight in which he will avenge his brother

Page 9, Panel 5

King: The fight is to the death on the field where the first fight took place

Page 9, Panel 6

Justice: I know Your Majesty, but the Earth has different rules

Page 10, Panel 1

Justice: We have no fight to the death here, we solve crimes in a different way

Page 10, Panel 2

Justice: I understand that you have different rules from us, and we are ready to abide by them, so we hand over the prisoner to you

Page 10, Panel 3

King: Justice, the fight must take place on the same ground

King: There are no further discussions

Page 10, Panel 4

The king hologram turned off

Justice: FUCK!

Page 11, Panel 1

Justice is still in dark room

Justice: Come on, pick up...

Page 11, Panel 2

Kade's hologram appears

Kade: What do you want?

Page 11, Panel 3

Justice: I just finished talking to King of Mikars, he wants the fight to take place on Earth in Urgent city

Page 11, Panel 4

Kade: How can I help?

Justice: I need heroes to surround Urgent city in case the fight gets out of hand

Page 11, Panel 5

Kade: As always, we're cleaning up the shit you caused

Justice: You can not blame us for this, we do everything we can to reduce the damage!

Page 11, Panel 6

Kade: Paradox will open the portal, I'm sending you the Elits team

Justice: Thank you

Page 12, Panel 1

Fuse sits on grass in front of Earth Guardians headquarters

Page 12, Panel 2

He takes out his sandwich

Page 12, Panel 3

Portal opens in front of him

Page 12, Panel 4

Can't a man have a quiet lunch here?

Page 12, Panel 5

Furious Lizard, Thunderman, Spectre Light and Megawatt walk out of portal

Page 12, Panel 6

Fuse: Thunder... It's you! Thunderboy!

Page 13, Panel 1

Thunderman and Fuse hugs

Thunderman: You know it's Thunderman

Fuse: I prefer Thunderboy

Page 13, Panel 2

Fuse: What are you doing here?

Lizard: We are called in as reinforcements, in case things get out of hand

Page 13, Panel 3

Fuse: Really? No one told me that

Lizard: They didn't tell us either, we suddenly got an emergency call

Page 13, Panel 4

Thunderman: But don't worry, we are here just as supporting characters, we don't want to steal your piece of fame

Fuse: You better, because it is already known who the Earth Guardians are, Elits, I might heard for them on radio or something

Thunderman: Sure buddy, sure

Page 13, Panel 5

Fuse: How long I haven't seen you, you've grown

Thunderman: You did too pal, It's been two years, hasn't it?

Page 13, Panel 6

Thunderman takes light by the hand

Thunderman: Let me introduce you

Thunderman: This is my girlfriend, Spectal Light

Page 14, Panel 1

Fuse: Okay, okay, the only logical explanation is that you didn't see how ugly he was under the mask

Page 14, Panel 2

Light: At least he doesn't slip into leather pants

Page 14, Panel 3

Fuse: Wow, she's beautiful and she knows how to fight back

Thunderman: Easy buddy, she is mine

Page 14, Panel 4

Lizard: If you're done chatting, could we talk about the plan somewhere

Fuse: Sure, follow me inside

Page 15, Panel 1

Earth Guardians (without Ardic) and Elits are in meeting room (everyone sits at a large table)  
(large panel)

Page 15, Panel 2

Justice: Fortunately, Urgent city has already been evacuated

Justice: We will activate doomsday protocol when challenger arrives

Page 15, Panel 3

Justice: It will be a great opportunity to check how doomsday protocol works when confronted by Mikras

Page 15, Panel 4

Fuse: Yes, we are really lucky

Justice: I didn't mean it that way

Fuse: We know, chill

Page 15, Panel 5

Justice: Frontier, Conscience, Fuse and Hollow are inside, with me

Justice: Elits, you will be out of town, in case they break through the shield

Page 15, Panel 6

Justice: In case TheSuperHero wins, we have to stop him, Elits, you don't interfere, he's out of your area

Page 16, Panel 1

Justice: Hollow, stay here to talk

Justice: Rest of you are free

Page 16, Panel 2

Justice and Hollow are alone in room

Justice: What was that?

Page 16, Panel 3

Justice: You threatened TheSuperHero with his friends

Hollow: And it worked

Justice: We don't do that!

Page 16, Panel 4

Hollow: Think carefully, on the one hand you have a bastard who killed your brother and other innocent people, and on the other hand innocent people who will die because of the actions of that bastard

Page 16, Panel 5

Hollow: Who do you chose to save?

Justice: We should not mix private things with work

Page 16, Panel 6

Hollow: For God's sake, Justice, sometimes you have to look outside the law

Page 17, Panel 1

Hollow: We made deals with criminals in past

Justice: In order to find bigger criminals

Hollow: How is what I did different?

Page 17, Panel 2

Justice: It's different because we don't trade with lifes

Page 17, Panel 3

Hollow: While I was still ... I ... you think I always followed the law? Sometimes you have to get your hands dirty to help others

Page 17, Panel 4

Hollow: This job, we try to save as many people as we can, if that means I'm going to have to get my hands dirty, I'm willing to do it

Page 18, Panel 1

Justice: The code is here for a reason

Page 18, Panel 2

Justice: If you can't follow it, you don't belong in the team

Page 18, Panel 3

Justice stands up

Hollow: I don't want to argue with you, especially not before a fight like this

Justice: You're right

Page 18, Panel 4

Justice stands next to window

Justice: Go rest now

Page 18, Panel 5

Justice is looking at the window, while Hollow is walking out

Page 18, Panel 6

We just see Justice's worried face
