Professor: Who made all that mess then, other werewolf?

**Page 18, Panel 2**

Mark: No, he was running away from someone, his leg was injured, he got scared and escaped when other monster appeared, I think that he didn't had intentions to hurt me, I was just in wrong place in wrong time

**Page 18, Panel 3**

Horokos: Who? Who showed up, speak boy, we are wasting our time here

**Page 18, Panel 4**

Mark: He was eagle, with feathers and wings, all that, he started fighting werewolf, I got scared, grabbed Susan and started running away, then beast in me become stronger and I was afraid not to hurt her, that is why I left here there

**Page 19, Panel 2**

**Page 19, Panel 3**

Professor: What are we going to do now?

Horokos: I experienced his methods on my own skin, no monster deserves that, no matter if it's good or bad, he has something mine and I want it back

Professor: So we are still fighting in this

**Page 19, Panel 4**

Mark: Can I go now? Please?

Horokos: Go, and don't stay out late, you see what happens if you do

Chief: If there was, you two would be on that case

**Page 20, Panel 5**

**Page 21, Panel 1**

Horokos and Professor are sitting on wooden bench in the park, Professor is looking at the map

Professor: If werewolf wanted to attack, he would come to village for humans or sheep, but no, no one saw him in village

Horokos: He doesn't want to attack, it seemed strange to me that he left Susan and then Mark alive, but now I see, he was escaping from Ultrius

**Page 21, Panel 2**

Professor: If he is hurt, he would look for place to hide

Horokos: And he already tried woods, it didn't work

**Page 21, Panel 3**

Professor: I'm not thinking about woods, there is one place where he could hide

Horokos: Better hands!? You are killing your own kind

**Page 23, Panel 5**

Ultrius: Killing them, o no, I'm not killing them, I am just creating better warriors of them

Ultrius: Join me Horokos, we can hunt them together again, like in good old days

=====

**Page 24, Panel 3**

Professor: And you support that?

Horokos: I was neutral in that, until I heard that he is using monsters against their will, that doesn't make difference between you and humans

**Page 24, Panel 4**

Ultrius: Who are you to tell me that, you are now working for them, you become their slave, giving them your gifts for food, like animal

**Page 24, Panel 5**
