Page 1, Panel 3

Ildro: I can help you?

TheSuperHero: Help me with what?

Ildro: You are sick

Page 1, Panel 4

TheSuperHero: Get out before I rip that lying tongue out of you

Ildro: Please give me a chance to prove to you that I am useful to the team

Page 1, Panel 5

Page 2, Panel 5

TheSuperHero knocks Ildro to the ground and gets on top of her

Page 2, Panel 6

He pulls her hair with one hand and holds her shoulder with the other

Page 3, Panel 1

TheSuperHero lies on his back, Ildro is next to him, still on the ground

TheSuperHero: You made me do it

Ildro: It's okay, I can handle it and this was what I wanted

Page 3, Panel 2

Ildro lies next to TheSuperHero and puts her head on his chest

TheSuperHero: I've never felt so alive ...

Ildro: That is due to my powers

TheSuperHero: What did your pussy do to me?

Page 3, Panel 3

Ildro smiles

Ildro: No, it's my blood, it's healing

TheSuperHero: You never had sex before?

Ildro: No... I haven't

TheSuperHero: You were missing a lot, but you got a real man to be your first

Page 3, Panel 4

TheSuperHero is geeting up

TheSuperHero: Get up!

Ildro: What's happening?

TheSuperHero: Do you know what's in my body? What shit is making me sick?

Ildro: No, but as long as you have me you will be fine

Page 3, Panel 5

TheSuperHero: How old are you?

Ildro: 18

TheSuperHero: So you're ageing and you're going to die in time

Page 3, Panel 6

TheSuperHero: Your blood does not heal me, it only delays what is in me

TheSuperHero: You're my best option for now, I don't like sharing things, so I don't want to see you with another man, otherwise I'll cut off his dick and make you eat it, was I clear?

Ildro: You were

Page 4, Panel 1

Komet is kneeling next to her daughter bed

Offscreen voice: We need to talk

Page 4, Panel 2

Mark is standing behind Komet

Komet: Not now, I am tired

Mark: You always are, I gave you enough time, it's time to have a conversation

Page 4, Panel 3

Komet walks past Mark in an attempt to leave him there

Mark: She told me today that she forgot your face

Page 4, Panel 4

Komet: What!?

Mark: You come home late at night, when she sleeps, you leave early in the morning, before she wakes up, it's been months since you two spent time together

Page 4, Panel 5

Mark: And not only that, since she was born, you haven't acted like a wife or a mother, all this time I've been trying to be faithful to you, but...

Komet: But what?

Page 4, Panel 6

Mark: I met someone last week

Komet: Do you really think I fucking care? Go fuck stupid whores as much as you want

Page 5, Panel 1

Mark: Don't call her a stupid whore, she didn't deserve it

Komet: She's fucking married man, I actually do think she deserved it

Page 5, Panel 2

Mark: Because of all of the above and the current situation with the Supremes, Emma and I are not safe next to you...

Komet: Cut the shit, You've been threatening me with a divorce for a year now
this morning I filed for divorce and custody of Emma

Page 5, Panel 3

Komet grabs Mark by the throat and lifts him

Komet: You do whatever you want, but leave me a child

Mark: After the dead team members, all you need is a dead husband

Page 5, Panel 4

Komet lets Mark

Komet: You think I killed them?

Mark: You're the only one left uninjured

Page 5, Panel 5

Mark leaves the room

Mark: I told you in time what I had

Mark: good night

Page 5, Panel 6

Komet is on the phone

Komet: We need to meet ... I don't care, make room in the fucking schedule

Page 6, Panel 1

TheSuperHero walks past the meeting room and sees that the mess is still there

TheSuperHero: What the Hell, couldn't someone clean this up

Page 6, Panel 2

Detective Hollow comes out of that room (It looks like smoke is forming a person)

Hollow: I told them to leave it like that

Page 6, Panel 3

Hollow starts flying around TheSuperHero

Hollow: What are you looking at, do I need introduction?

TheSuperHero: I know very well who you are

Hollow: Of course you know, I voted against your joining the first super heroic team

Page 6, Panel 4

TheSuperHero: I didn't expect you to be sent, but your help is welcome here

Hollow: I am here on my own, something attracted me to this city, maybe it's the climate, who knows

Page 6, Panel 5

Hollow: You don't look your best

TheSuperHero: We were all affected by these events, it's not easy to lose a team

Hollow: Some would say it's bad leadership

TheSuperHero: If you attack me, attack me directly, not like a coward

Hollow: Is there a reason to attack you?

Page 6, Panel 6

Hollow: What are the marks on your neck, as if someone strangled you

TheSuperHero: We had a fight with Kaiju elephant the day before yesterday, it's probably from that

Hollow: It does look like that

Hollow: Anyways, I am sure you have work to do now and I have my job to finish...

TheSuperHero: In fact, if you're not sent here, I can't risk damaging the evidence, so I'll ask you to leave

Page 7, Panel 1

A tall male figure dressed in an all-black suit with a black cape stands in a dark room, he has blue skin

Page 7, Panel 2

In front of him Detective Hollow appears as hologram

Blue Justice: Report

Hollow: You were right, he did not allow me to complete the investigation, in addition, there are clear traces of the fight with Infinite on his neck

Page 7, Panel 3

Hollow: What do you want me to do?

Justice: Watch him from a distance, gather as much evidence as possible

Page 7, Panel 4

Hollow: I haven't had a chance to tell you, I'm sorry for your loss...

Justice: Just do your job, justice will come

Page 8, Panel 1

Samantha is standing in front of hospital windows, she is looking at Infrinite who is still in a coma, he is attached to devices that help me breathe. Doctor is next to him

Page 8, Panel 2

Doctor comes to Samantha, there are two guards in front of Infinite's hospital room

Doctor: Are you a member of his family?

Samantha: I'm the closest he has

Page 8, Panel 3

Doctor: He has serious injuries, broken ribs, a punctured lung, what went through his stomach crushed his lower spine.

Samantha: What are you trying to say? Will he recover?

Page 8, Panel 4

Doctor: We have done everything necessary, but he is still in life-threatening condition, if he recovers, he will not be the same

Page 8, Panel 5

Samantha is crying

Samantha: If he recovers?

Doctor: Miss, we are doing everything in our power, there is nothing left for us to do, but to wait

Page 8, Panel 6

Samantha starts hitting doctor and guards are trying to hold her

Samantha: Do your fucking job! It's your fault if he dies!

Page 9, Panel 1

Michael, Guard (Guardian) and Scientist (Sett) are talking in Michael's office

Sett: As you can see, the virus attacks blood cells, making the body weaker and more vulnerable

Page 9, Panel 2

Michael: Does it affect the strength and resilience of the host

Sett: Yes, in some way... not in the way we had hoped, TheSuperHero would stay in full strength, but would be much slower, more tired and more vulnerable

Page 9, Panel 3

Michael: How much time does he have?

Sett: If the virus spreads as in our results, a couple of days, a week maximum, after the sixth day he would not be able to move

Page 9, Panel 4

Guard: Michael, don't even think about it, let the bastard die alone

Michael: That's not a big enough punishment for everything he's done

Guard: You allow the desire for revenge to stand in the way of our mission

Page 9, Panel 5

Michael: I want to watch that motherfucker die

Guard: You are being stupid

Page 9, Panel 6

Michael: Look me in the eyes and tell me that you don't want the same

Guard: Hunter died because he had same mindset

Page 10, Panel 1

Michael: Hunter gave us a fighting chance, i promised him i would make TheSuperHero suffer

Page 10, Panel 2

Sett: In fact, the virus itself will cause great pain, nausea ... we just need to find a way to infect him

Page 10, Panel 3

Michael smiles

Sett: What is going on?

Guard: We're one step ahead, Doctor, TheSuperHero has been infected for two days

Page 10, Panel 4

Sett: But how?

Michael: We did not go directly to the king, take away his hunter and queen, what is left for him?

Page 10, Panel 5

Komet flies in office where Michael and his guard were, she carries two guards with her

Page 10, Panel 6

She throws guards in front of Michael

Page 11, Panel 1

Michael: Was that really necessary?

Komet: We had a deal, and you broke it

Page 11, Panel 2

Michael: I warned you it would be a slow process, it requires time

Komet: I don't have time, my husband wants a divorce and custody of my daughter

Page 11, Panel 3

Michael: I don't see how is that my problem

Komet: I've been sleeping with that monster for months, I poisoned him for you

Sett: She is the queen!

Page 11, Panel 4

Komet: Are you on drugs or what?

Michael: You did all this because you wanted to leave the team, but you were afraid of TheSuperHero, I offered you a deal, you did your part, now wait for the results. I can't help you with other problems

Page 11, Panel 5

Komet: He'll kill me and my daughter if he finds out what I did

Michael: Just act normal and be without worries

Page 11, Panel 6

Komet is ready to launch herself into Michael

Komet: "Be without worries"?

Page 12, Panel 1

Komet launches herself towards Michaels /we see her launching towards us/

Page 12, Panel 2

Page 12, Panel 4

A juice machine discharges a can of juice

Page 13, Panel 2

Page 13, Panel 5

Samantha: Thank you

Guard: When was the last time you slept?

Page 13, Panel 6

Samantha: day... no, two days ago

Guard: I'll ask nurse to give you a room to rest

Samantha: No need

Guard: You have to rest for at least half an hour, we are here, if there are any changes, I promise to call you

Samantha: I guess I could rest for a bit

Guard: My name is Mike by the way

Page 13, Panel 7

Samantha: That is my boyfriend in

Mike: Noted

Page 14, Panel 1

TheSuperHero and Ildro are in his office, TheSuperHero is holding paper in his hands

Page 14, Panel 2

The paper says: Unfortunately your abilities are not currently needed by Earth Guardians, so the application of a candidate named Brian Evans aka TheSuperHero is rejected, Earth Guardians will contact you in the future if they need you for the mission.

signed by Detective Hollow

Page 14, Panel 3

Ildro: Detective Hollow was here today, is he investigating what happened?

TheSuperHero: It won't bother us in the near future

Page 14, Panel 4

Ildro: Can I ask you something?

TheSuperHero: Get up and come here

Page 14, Panel 5

TheSuperHero stands up and Ildro stands in front of him

TheSuperHero: If you want to ask something, don't act like a weakling. It is not proper for a Supremes member to behave like that

Page 14, Panel 6

He puts his hand on her chin and raises her head to look him in the eyes

TheSuperHero: I know to appreciate what you do for me, don't worry, next to me you will become one of the greatest heroes America has ever seen, so, if you want to ask something, ask without hesitation

Page 15, Panel 1

Ildro: Why did you killed them, my friends? I understand why you did it to Hunter and Emerald Trident, but my team didn't do anything wrong

Page 15, Panel 2

TheSuperHero: You are right, they did nothing wrong, but they did nothing right, when I walked in your base I saw drugs and alcohol everywhere, indiscipline, laziness and negligence

Page 15, Panel 3

TheSuperHero: My father taught me that only the strong survive in this world

TheSuperHero: He never hesitated during our training, he always attacked me with all his strength, he did not stand even when I was seriously injured, it was a punishment because I was weak

Page 15, Panel 4

TheSuperHero: Heroism is not a game or a way to make money, such parasites need to be removed from the roots

Page 15, Panel 5

TheSuperHero: I don't expect you to understand my methods, but I will show you something

Page 15, Panel 6

TheSuperHero gives Earth Guardians paper to Ildro

TheSuperHero: Before I joined Supremes, I tried to join the Earth Guardians, but was turned down

Page 16, Panel 1

Page 16, Panel 2

TheSuperHero: It took time, but I outgrew the Earth Guardians

Page 16, Panel 3

TheSuperHero burns paper with his laser eyes

TheSuperHero: In the end, I won

Page 16, Panel 4

TheSuperHero: But I don't want to be alone at the top, I have to surround myself with strong people, whom I can trust, so as not to repeat my mistake

Page 16, Panel 5

TheSuperHero puts his hands on Ildro cheeks and she smiles

TheSuperHero: Luckily, you came into my life and you're with me when it's hardest for me, no matter what I did

Page 16, Panel 6

TheSuperHero kisses Ildro
